Julian Mazaira

Senior Frontend Engineer & Product Lead

8 Years of Experience

PROFESSIONAL SUMMARY

A dedicated Front-End Engineer with 8 years of expertise in React, TypeScript, and Angular. I excel at crafting elegant, user-centric interfaces and enhancing productivity through cutting-edge technologies and best practices. My strong skills across the frontend stack help me solve complex challenges and deliver high-performance applications and exceptional products.

WORK EXPERIENCE

LEAD FRONTEND DEVELOPER SmarterD

April 2020
- Present

- Led the development and strategic planning of an AI-driven B2B SaaS cybersecurity platform comprising seven unique modules, utilizing Angular 18 and React Native for mobile.
- Spearheaded client interactions to gather comprehensive product specifications and requirements, ensuring alignment with customer expectations and business objectives.
- Managed FE Development Team, UI/UX Testing & CI/CD Pipeline

JR FRONTEND DEVELOPER SmarterD

September 2017
- March 2020

- Built and enhanced features & components such as task managers, calendar/meeting interfaces, large-scale data loaders/integrations, dashboards, forms, and chatbots.
- Collaborated closely with cross-functional teams, including UX/UI designers and back-end developers using NODE.JS and JAVA.
- Led the creation of the product's online content and blog built in NEXT.JS

EDUCATION

B.S. IN ENGINEERING University of Pennsylvania

2012 - 2016

- Mechanical Engineering & Applied Mechanics
- Varsity Rowing
